Notes:

- > Use one strand DMC #5 Pearl Cotton throughout.
- > Use 14 count white, beige or light brown plastic canvas or perforated paper.
- > Cut out two pieces canvas, 6" square, for front and back of ornament.
- > On back piece, stitch entire piece with DMC #5 Pearl, 434 Brown-LT, eliminating face and clothing. Try using half or full cross stitches, whichever covers the canvas better. Cut around finished pieces, leaving one square of canvas at edge all around.
- > To assemble front and back: Place the two pieces wrong sides together, matching up edges. Slip stitch around edge with DMC #5 Pearl, 700, Christmas Green-BRT, or other desired color. Tuck in thread ends. Tie a hanging cord at the top.
- > For some special sparkle, try stitching or gluing on some beads or sequins on your ornament. Have fun!
